Our birthday girl this week is:

## Happy Birthday

Marguerita Traynor 7 May

Growing in awareness of finding God in small things.

While driving to Mass this morning I noticed how the leaves were greening up the trees on my short, but too long to walk, journey. Then back home, I turned to 'Finding God in a leaf' by Brian Grogan SJ.

The reading from Genesis at Mass this morning Feast of St Joseph the Worker, spoke about God's work of creation on the sixth day.

It finished with the line 'And God rested on the seventh day after all the work he had been doing'.

Fr Brian explains 'God is infinite energy, so for God, resting means enjoying to the full all that is good.'

Laudato Si' has opened the door for us to find God in the tiniest things as well as the most awesome and enjoy.
