Looking back on a friendly visitor

Some of you may remember Sister Marcella Roe's friendly robin who visited her at Stadium Street.

He would visit several times a day waiting to get some dried mealy worms which he would come and take from your hand!

Sister Marcella's bereavement notice has been dispatched with the funeral arrangements on for 5th March, these include the livestream link. If you have not received the information please see the below link.

91st Birthday celebrations

Sister Una Vaughan on
her 91st birthday last
week.

Sister Therese was on her way to visit the Sisters in USA, Sister Clare drove her from Larne to Dublin, for her early morning flight the next morning. What a joy that Sisters Therese & Clare arrived in Marino in time to join the party for Sister Una's 91st birthday!

A lovely celebration was enjoyed by all!

And a big thank you, from Sisters Therese and Clare, to all at Marino for your welcome & hospitality.

Days out

Sr. Francine recently enjoyed a day up in the North East visiting her sisters Rita and Maureen and her brother in law Tom.

22nd Birthday?!

Last Thursday 29th February, Sisters in Lancashire had a gathering in the Toby Carvery in Over Hulton, Bolton to celebrate Sr Josepha's Birthday.

There were six of us and we sat at a round table in a Window Bay. It was a very happy occasion, apologies no pictures!

When we gathered for Christmas in Middleton Josepha reminded us of the leap year coming 2024, was that a hint? I kept it in mind.

To teach the number of days in a month it was useful to have a rhyme, there are various versions of this one.

Thirty days hath September,
April, June, and November;
All the rest have thirty-one,
Except for February alone,
And that has twenty-eight days clear
And twenty-nine in each leap year.

With the 29th of February only coming round once every four years, Josepha has only had 22 actual Birthdays. She really enjoyed this one! *Sister Savio*
